The business meeting of the Gamma Phi was held at the home of Miss Florence Burckal, 659 W. 81st St., on Tuesday, May 4th. At this meeting the following officers were elected for the new term: Florence Burckal, president; Louise Haas, secretary; Rose Rago, treasurer. After the election we were entertained with music by Miss Louise Haas which we assure you we enjoyed and made good use of by dancing and singing. Later refreshments were served.

A card and bunco party will be given Friday evening, May 21st, by Royal Neighbors of America, South Englewood Camp No 3236, at Cosmopolitan Lodge hall. Everyone invited.

Parent-Teacher Association Oglesby School

The Oglesby Parent-Teacher Association will meet for the last time this year at 2 30 p. m. next Wednesday, May 19th, in the assembly hall. Our delegate, Mrs. Davidson, has just returned from convention and will give us the full report. Twelve little girls will appear in a fairy dance together with a program by the school As this is the annual election of officers, we hope every one will avail themselves of the opportunity to be present. Refreshments will be served.

Just Girls

In the lobby of Hotel LaSalle on Tuesday evening, April 13th, there was a little group of anxious girls waiting patiently for the rest of the members to appear, and especially the one who had the tickets. Gradually the size of the group increased and at last all the members of the Gamma Phi sorority were present.

As we all came right from work we assure you we were hungry, but did not stay that way very long because we hurried over to the Black Cat room in the Pullman building for dinner. Our table was in a cozy little corner where we enjoyed a delicious meal including "chicken a la king" and all the trimmings.

After dinner we went to Cohan's Grand Opera house and saw "Welcome Stranger." The leading man was a Jew and he sure was a card.

It was a very enjoyable evening but oh, Wednesday morning when the alarm clock made itself known!

Friends of Irish Freedom

The Robert Emmet branch will give a grand musical and literary entertainment and May party at the Englewood Knights of Columbus hall, 6323-5 Harvard Ave., Thursday evening, May 27th, 8 p. m., in comemoration of the martyrs who were executed by the British government in May, 1916. The Rev. Hugh P. Smyth of St. Mary's, Evanston, will deliver a stereopticon lecture on the Battle of Easter Week, 1916, in which the pictures of the heroes of that great drama will be shown together with the City of Dublin, the famous Liberty Hall before and after the bombardment by the English soldiers and everything connected with that famous battle in which about twelve hundred Irish soldiers fought over forty thousand Englishmen and stood them off for a whole week. Father Smyth, lately returned from Ireland, is a pleasing, scholarly lecturer and should be heard to be appreciated.

The famous Paulist Choristers will sing The Star Spangled Banner, The Soldiers of Erin and other patriotic songs The Rev. John J. O'Hearn, late chaplain of the 108th Trains, will preside. A large number of the reverend clergy on the south side have accepted invitations to be present as a mark of respect to the lecturer and author. After the lecture a ball will be given for the young people and a feature of the evening will be little Kathleen McDonald of Auburn Park, who will dance Spanish and fancy dances. William McCormick, the celebrated Irish piper, and his band will play Irish selections. Cope Harvey's band will furnish the music for the ball and on the whole it will be a memorable night for Ireland and the Robert Emmet branch, which does big things. Doors open at 7:30, lecture starts at 8 p. m. sharp. Dancing at 9 p. m. Everybody welcome.

Britigan Buys Auburn Land

William H. Britigan, the subdivider, has purchased 38 acres of vacant land between W. 79th St. and 83rd St., S. Ashland Ave. and S. Wood St., from Lazarus Krinsky for an indicated price of $290,000. Lauerman Brothers of Auburn Park represented the owner and Mr. Britigan was represented by his attorneys.

CHIROPRACTIC

(SPINAL ADJUSTMENT)

"Removes the Cause of Disease"

There are many causes of disease. One of the most common of these is imperfect nerve-supply.

The normal condition and perfect functioning of every part of the body depend upon nerve control.

If the wires are cut, crossed, or disconnected, an electric bell will not ring no matter how long, hard or often you push the button.

Even so in the human body. If the nerves controlling a part do not carry impulses (messages), to that part, it fails to act. Physiologists teach that every action that takes place in the human organism is in response to a nerve stimulus. If these stimuli are unable to send an impulse along the nerve, there is no action at the end of the nerve—the part is virtually dead—just like the electric bell.

What prevents the nerves from carrying these messages? Many different factors may operate to bring this about. But the commonest of these is pressure on the nerves.

Where does this pressure occur? At the point where the nerves pass between hard and movable bones in the spinal column.

How is this pressure taken off the nerves? By replacing the vertebrae (bones of the spine) in their proper position.

Chiropractic recognizes the fact that many diseases are due to imperfect nerve supply. It determines the cause of the faulty nerve-supply. If due to pressure it finds the place where the pressure exists. It removes the pressure. It restores perfect nerve-supply, and assists Nature in re-establihing a proper organic state and functional activity.

If you, kind reader, are suffering from a disorder that has not responded to other forms of treatment, call at my office and we will talk things over. If my specialty is indicated in your case, I will tell you so. Consultations are gratis.

NO DRUGS USED

The Auburn Park Federated Church Makes a Good Start

Last fall the Congregational and Baptist churches of Auburn Park, which had been worshiping together for some time, formed a definite federation, and will use the building formerly used by the Auburn Park Congregational church located on Normal Ave. and 77th St. While the two congregations will keep their separate organizations for the purpose of affiliating with their respective denominations, yet they will form one composite church for the purpose of worship.

After the federation the natural question was to secure the right type of man as pastor. After much delay A. Royall Gay was called and arrived on the field. Mr. Gay, though a comparatively young man, has had quite varied experiences, which should make him well fitted for a field of this type He is a graduate of Wake Forest College, North Carolina, and of the University of Chicago. He was raised on a farm, sold maps, represented newspapers, was superintendent of a high school, and pastor. As representative of the International Y. M. C. A. he organized and took charge of the "Y" work in Camp San Benito, Texas. He received his commission as chaplain in the United States navy in October, 1917, which commission he resigned May 1, 1920, to accept the pastorate of the Auburn Park Federated church.

While in the navy he spent several months aboard the U. S. S. Antigone, a transport, making several trips to France, and visited Paris and other French cities. At sea he was in many submarine attacks, being within 800 yards of the U. S. S. President Lincoln when it was torpedoed and sunk. Later while located at the naval training station, Hampton Roads, Va., he was instrumental in several hundred boys uniting with the church of various denominations. As insurance officer he handled over sixty million dollars' worth of business for the bureau of war risk insurance. As entertainment officer he provided entertainments for the station.

With Mr. Gay's arrival the church is beginning its work in earnest. Good audiences have greeted him at each service. The pastor holds himself at the service of all in the community of whatever faith or creed they may be.

The Sunday school, which meets at 12 noon Sundays, is a wide-awake school. It, too, is taking on new life. The enrollment and attendance of the school is rapidly increasing. On May 9 a new class was formed for young ladies with Mrs. Gay, the wife of the pastor, as teacher. Last Sunday a new class was formed for young men. These two classes promise to be live wires for the Sunday school. Some interesting programs have already been thought of. Next Sunday another class will be organized for boys from fifteen to eighteen years of age. Every class is a live class, and there is a class for everybody. Last Sunday the attendance was 97 5 per cent of the enrollment.

Watch the Auburn Park Federated church grow. Come and unite with us and be a part of a growing church.

Auburn Park Hospital Not a One-Man Affair

The idea still prevails that the present Auburn Park hospital is a one-man affair and is under the direction of Dr. S. A. Waterman. This notion is incorrect. It is a small corporation composed of Mr. E. L. Griffeth, Mr. Geo. A. Hutchinson, Mr. Chas. Herendeen and Dr. S. A. Waterman. It is incorporated as a private hospital.

The present hospital contains forty beds and is greatly in need of more room. Every day many cases are being refused admittance because of lack of room, to say nothing of the fact that sometimes people are obliged to leave sooner than their conditions justify. To constantly make room for more incoming patients who are in a more critical condition is one of the problems all hospitals are obliged to meet at present.

A prominent physician recently estimated that the bed shortage south of 55th St. was probably nearer to two thousand than eighteen hundred, which had been estimated by the government.

Because of these congested conditions the present management of the Auburn Park hospital at first thought it advisable to build an addition to the present hospital, but building operations last summer delayed the plans. Since then the demand has grown so urgent that an entirely new building, thoroughly up to date in every detail of construction, was advisable. The new hospital will contain one hundred fifty to two hundred beds.

The Management

The new Auburn Park hospital is incorporated as a non-sectarian and non-profiting institution. There will be no dividends, and it will be under the management of twenty-one directors elected by the people who donate fifty dollars or more to the building fund.

The hospital will be run without profit. The patient saves about one-third.

This hospital is of vital importance to the people south of 55th St., and will be the people's hospital, managed by the directors, who will serve without remuneration.

After the new hospital is built, the present building will be used as a nurses' home. The site selected is the property adjoining it on the east at the corner of 78th Place and Eggleston Ave. It will face on Lagoon Park, which is maintained by the Small Park Commission.

STIGALL'S LAXATIVE ASPIRIN CAPSULES ...FOR... COLDS, LA GRIPPE AND RHEUMATISM

CONTAINS NO QUININE TO AFFECT THE HEAD

PRICE 25 CENTS

W. J. STIGALL, - CHICAGO, ILL.

Laxative Aspirin Capsules are the best known remedy for Cold, La Grippe, Rheumatism and Headaches. Does not affect the head like quinine. In treating a cold it is very important that the bowels move freely every day. These capsules move the bowels gently without griping.

Dose: One capsule every two hours until four doses are taken, then one every three or four hours until entirely relieved.

For severe headache take two capsules and repeat in one hour, if necessary. Two capsules are generally sufficient to relieve the most obstinate case of nervous or sick headache.

When buying Laxative Aspirin Capsules, look for the trade mark and be sure you get the genuine.

A Night of Fun

At the last social meeting of the Gamma Phi sorority, which was held at the home of Miss Mary Whalen, 7426 S. Peoria St., a delightful evening was spent. There were many guests present including gentlemen, which, of course, always means a good time. Dancing, singing and games were the pastimes of the evening after which delicious refreshments were served.

Auburn Park Improvement Association

Meetings first Tuesday of month, 7832 Union Ave, Masonic Temple

A few words to all the members of the association The officers are very sorry to see that the members have taken such little interest in the doings of the association in the past year You can not expect your officers to bear all of the burden of the members We have sent out two hundred postal cards every month for the last year and we have had the pleasure of having about ten or less to respond There is no wonder your association has been a failure in the past through the lack of interest on the part of the members If you are not satisfied with your officers then get some others, if you will investigate what your officers have done in the last year you will find they have tried to do more than you expected of them and you will also find more money in the treasury than there was ever there before at the end of the year We expect to give the members and then friends a card party or an entertainment of some kind in the near future Watch the Booster in future The association wishes through its officers and members to extend their appreciation to the Community Booster for the kind assistance they have given us in the last year to help our association to go forward Respectfully yours

A Tribute to Father Roberts, Formerly of St. Leo's

To one who has been taken from our midst, one whose dear face will linger in our memory long after his work will have been forgotten, do we dedicate this tribute.

Father Wm. Roberts to us was not only our spiritual adviser but the ray of hope and sunshine through which the clouds vanished, for all who came in contact with him, whether Catholic or non-Catholic, were benefited, elevated and edified by his presence.

Suddenly called away from the community he loved so well, and which in turn knew him, loved him, worshipped and revered him, not alone for his spiritual efforts, but also for the human side of the man, his unselfish devotion, his untiring efforts, his wholesome broadminded endeavors which made him loved alike by all denominations in the neighborhood, and people in all walks of life; the farewell accorded Father Roberts on Friday evening was only an echo of what would have been his farewell had there been opportunity afforded to notify his friends. However, the sentiments of the public and parish at large, expressed on that occasion, was typical of the sentiments of the entire community where he was known.

Four years ago Father Roberts was assigned to St Leo's church, as assistant. St. Leo's was then an old parish in years, but an infant in activities. But Father Roberts put it on the map of recognition. Resurrection church has much to be proud and thankful for, and while we in St. Leo's shed a tear and breathe a prayer for the absent one, yet in our grief we must not be selfish, and we congratulate Father Roberts on the many opportunities offered him for he is indeed qualified in the capacity for which he has been chosen. Resurrection parish needed an orator, and Father Roberts will more than fill the bill. A committee called on the archbishop, telling his reverence how badly St. Leo's needed the services of Father Roberts, but were informed that the change meant a promotion for our dear friend.

Father Roberts has no doubt by this time endeared himself to the Austin congregation and we know he will not allow himself to forget the old one, and we feel that Resurrection parish will agree with us when we say that we have suffered a great loss, and that they reap the harvest.

SOMETHING WORTH WORKING FOR

Shall We Duplicate Our Experience of Two Years Ago?

Do you remember what happened a year ago last fall and winter? How the influenza epidemic stalked through our city, taking a frightful toll of men, women and children in every walk of life?

Of course you remember it! But do you know that literally scores of those lives could have been saved if Chicago possessed more hospitals and dispensary facilities?

Right now, with no epidemic at hand, the hospitals are full. Waiting lists are maintained and no beds are available.

If another epidemic should strike us now, Chicago hospitals could not cope with it!

And that is merely one of the reasons why we need the sort of hospitals and dispensary equipment that this organization is going to make possible.

Read the announcements from now on! They will contain facts that you should know.

Remember the New Auburn Park Hospital will be run without profit. A saving of over thirty per cent.
